OUR VISION

- Expanded immigrant power in New Mexico through asset ownership, increased visibility and broader community impacts.
- A culturally accessible center of educational excellence and career opportunities to succeed in a 21st century economy.
- A community-led home health training center to support quality jobs for New Mexico's essential workers.
- Abundant community resources and leadership opportunities in one location for immigrant workers, families and aspiring entrepreneurs.

OUR PLAN

- A more efficient building with expanded training capacity centralized in one location.
- A state-of-the-art computer training room that bridges the digital divide with 21st century skills.
- Over 2400 sq. ft. for large group trainings, community events, and rentals.
- Onsite childcare to support working parents.
- Offices for Encuentro's growing staff, community navigators, and partner organizations serving immigrant families.

CONTRIBUTE TO CREATING OUR COMMUNITY GATHERING PLACE

Spaces will recognize and honor key Latinx immigrant leaders chosen by Encuentro staff and students.
